- February 23, 6:30-8:00pm at DIVA (workshop fee tbd)

DIVA invites Individual Artists, Groups or Guilds, and Media Artists to submit exhibit proposals for July 2009 through December 2009. Individuals living in Oregon, or proposals that are significant to Oregon, are eligible to apply. This may include traveling exhibits that are understood to culturally enrich and/or inform the local community. We welcome a variety of proposals including installation, multi-media, time-based, performance, or other creative potential uses of our six individual gallery spaces.

Applications and artwork samples will be received in the three categories exclusively through the CallForEntry (CaFÉ) online artists' service. CaFÉ is a free, online service to artists. Registering enables you to submit your work to organizations nationally using a simple, standardized online process. DIVA will provide education in regards to CaFÉ and the services and opportunities it provides twice prior to the submission deadline.

Media Artists are asked to submit video documentation on DVD that must be delivered too DIVA before 5pm, March 3; these are the only physical materials will be accepted at the DIVA front desk, and these *must* be accompanied by an online proposal submission through the CaFÉ service.

Unfortunately, we are not able to process physical submissions, nor proposals that arrive after the published deadline.

Initial notifications will be made by email by April 6, 2009.

For questions specific to our open call for proposals, please contact DIVA Exhibits Directors by phone (541-344-3482) or email (diva.exhibits@gmail.com with the subject heading "Question about 2009 Artist Proposal"). *Please read through DIVA's*

Open Call on the CaFÉ website thoroughly; many of your questions may be answered there.

Unfortunately, DIVA cannot offer CaFÉ support on an individual basis to artists – please mark your calendar and attend the workshops if you will need orientation for using the CaFÉ service.

DIVA Initiative

We feature art by individuals, groups, and organizations that are based in Oregon, or artwork that is related to Oregon. Our goal is to feature excellent work in traditional media, innovative new artistic approaches, and topics that are relevant and meaningful to the local community.
